

PUBLIC NOTICE

Temporary Closure of Port Edward Boat Launch

The District of Port Edward wishes to notify the public that a contractor of the Prince Rupert Port Authority will begin work to remove the barge that has been grounded at the boat launch on **January 10, 2022**.

The demolition and removal work is expected to take place over a month and we will update the public when a completion date is confirmed and re-opening can be expected.

We understand the work is expected to take approximately one month and public access will not be permitted to the area or the boat launch during this time.

For further information or inquiries contact the District office at 250-628-3667 or info@porteedward.ca
